

~~WOOD~~  
**WOULD YOU?**

~~YOU~~  
**WE ARE THE WOOD INDUSTRY**

## Career Examples

The wood industry is bigger than you'd think, and so are the opportunities. Here are just a few wood careers.

Computer-Aided Design (CAD) Designer

Woodworking Machine Operator

Wood Flooring Installer

Cabinetmaker/Bench Carpenter

"I decided to get into the wood industry because of the variety and diversity. There are so many different areas to work in. You can find whatever interests you in the wood world."

**Justin Reichardt**

Applications & Service Technician  
at C.R. Onsrud Inc.
